Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

FROM : Chief, Intelligence Production Faculty

SUBJECT: Weekly Activities Report No. 12
21 March - 27 March 1962

DATE: 28 March 1962

I. SIGNIFICANT ITEMS

Nothing to report

II. OTHER ACTIVITIES

25X1A9A

1. [] returned from a tour of military duty with the Air Force during which he attended the Air Intelligence Course at Sheppard Air Force Base, Texas, home of the Air Force Technical Training School. In this school is located the Intelligence Training Department which consists of two branches, the Air Intelligence Branch and the Photo-Radar Intelligence Branch.

Several items of information were learned while attending the course which are of interest to training.

1. The Air Force has been given the responsibility for all Air Intelligence training under the DIA. 2. The Air Force has been given the responsibility for all Photo-Radar Interpretation training under the DIA. The Air Force has 120 days from the time of the DOD Directive to organize the proposed combined training. 3. A DIA Intelligence School or Academy is to be established in the Washington area for advanced intelligence training. The Strategic Intelligence School has already been placed under the DIA. 4. The Army has been given the responsibility for all language training in the DIA. 5. The Army will keep its intelligence school at Fort Holarbird, but it will be limited to training in ground combat intelligence. 6. A part of the Air Forces's 1127th Field Activities Group stationed at Bolling AFB and at Fort Belvoir has recently been placed under the DIA and given a training function in intelligence collection. Presumably, the training would be for all attaches.
